

Arger-Martucci

Arger-Martucci Odyssee

California - Napa

Cabernet Sauvignon - Merlot -  
Cabernet France - Petite Verdot

### The History

At Arger-Martucci Vineyards, we take great pride in our Estate-Bottled wines. Each of the Cabernet varietals is grown on the Arger Family Odyssey Vineyard property. Sitting atop Atlas Peak, the gentle hillside vineyard is situated 1,350 feet above the Napa Valley floor and enjoys a perfect climate for growing grapes. Between 1,000 and 2,000 feet is considered “the sweet spot” for growing hillside grapes, and we believe our vineyards take full advantage of the additional morning sun exposure and cool nights afforded by this location

### The Vineyard

We call this Odyssey Vineyard because it has led us on a true “odyssey” from intense fascination to “garagista” and finally to commercial winery with the goal of producing limited amounts of premium wine. This vineyard produces our Odyssey proprietary blend of Cabernet Sauvignon, Cabernet Franc, Merlot, and Petite Verdot. In addition, our Syrah is produced from a small, 3-acre rocky parcel located adjacent to this Cabernet vineyard and from a 3-acre parcel owned by the Martucci’s, which is also located on Atlas Peak. We find that blending the fruit from these two vineyards gives our Syrah its richness and complexity for which it is known

### Tasting Notes

49% Cabernet Sauvignon, 35% Merlot, 15% Cabernet Franc and 1% Petite Verdot. Aged for 22 months in predominately French and Hungarian oak, the flavors in this wine showcase a virtual “spice rack” of cinnamon and nutmeg with the predominant black cherry and chocolate overtones that are characteristic of our Cabernet varietals from Atlas Peak. We blend our Odyssey to be very appealing with a rich mouth feel immediately, however, with its underlying tannic structure, we believe it will cellar for 8-10 years
