

Arger-Martucci

Arger-Martucci Pinot Noir

California - Napa

Pinot Noir

### The History

At Arger-Martucci Vineyards, we take great pride in our Estate-Bottled wines. Each of the Cabernet varietals is grown on the Arger Family Odyssey Vineyard property. Sitting atop Atlas Peak, the gentle hillside vineyard is situated 1,350 feet above the Napa Valley floor and enjoys a perfect climate for growing grapes. Between 1,000 and 2,000 feet is considered “the sweet spot” for growing hillside grapes, and we believe our vineyards take full advantage of the additional morning sun exposure and cool nights afforded by this location

### The Vineyard

We call this Odyssey Vineyard because it has led us on a true “odyssey” from intense fascination to “garagista” and finally to commercial winery with the goal of producing limited amounts of premium wine. This vineyard produces our Odyssey proprietary blend of Cabernet Sauvignon, Cabernet Franc, Merlot, and Petite Verdot. In addition, our Syrah is produced from a small, 3-acre rocky parcel located adjacent to this Cabernet vineyard and from a 3-acre parcel owned by the Martucci’s, which is also located on Atlas Peak. We find that blending the fruit from these two vineyards gives our Syrah its richness and complexity for which it is known

### Tasting Notes

The color is darker than the 2003, but still true to Pinot Noir – crimson, not black. The bouquet is one of bright black cherry with hints of black truffle and nutmeg. The palate is lush and soft, the way Pinot Noir should be. The flavors of black cherry follow through on the palate with a hint of dried plums. We are confident you will enjoy the finesse of this Pinot Noir
