

# Ca' Del Doge Merlot DOC

IL SAPORE DELLA VITA: DRINK IN ITALIAN STYLE!

In a small rural town close Venice, set in the heart of DOC and IGT regions, Ca Del Doge winery has been working actively in the wine market since the early 1900's. Protected by mountains, yet close to the sea, rich in rivers and sheltered from the wind, such conditions proved optimal for the special refinement of wine. Ca' del Doge Merlot DOC is rich and fruity: a very elegant accompaniment to the most selected meals!
