The History

can·zo·na [kan-zoh-nuh]

1. a musical composition where intricate melodies are combined to form a harmonious whole.
2. an elegant yet approachable wine, in which intricate flavors from carefully tended vineyards are blended harmoniously.

Tasting Notes

It is a wine to select when seeking food friendly classic blended Merlot and pairs well with both bold and lighter cuisines. A lovely Merlot with aromatic black cherry fruit, notes of black pepper, earth, and vanilla, with soft tannins. Delicate and elegant, it is a classic Merlot, evocative of the variety and distinct from the more prevalent aggressive International style.
