## Casa Marguery La Familia

Argentina

100% Malbec

### The History

Familia Marguery is solely committed to the production of high quality wines with the latest technological advances and in limited stocks. Our wines are produced with selected grapes from old vineyards in Tupungato, La Consulta and Vistalba, Mendoza, Argentina. We seek to express a lifestyle, inherited from our ancestors, with a focus on responsibility and a passion for our work. Familia Marguery produces its wines in Cruz de Piedra, Maipú. With a capacity of 160,000 litres, the winery is equipped with stainless steel tanks and temperature controls, machine press, conveyor belt for selecting the grapes and latest generation of pumps

### The Vineyard

Familia Malbec is Guillermo's specialty, with 100% of the fruit coming from his vineyard in La Consulta. To us, Familia Malbec almost comes across as "old world", and we really enjoy the wine's minerality. The wine is very much sought after inside Argentina, and we are only able to import 300 cases per year.

### The Wine

Production: 860 cases Alcohol: 14%. Total Acid: 4.87. VA: 0.53 g/l. Res Sugar: 3.13 g/l. pH: 3.8

### Tasting Notes

The purple-colored 2005 Malbec Single Vineyard was sourced from a small parcel of 88-year-old vineyards and aged for 12 months in 50% new French oak. It offers up an expressive bouquet of wood smoke, spice box, incense, black cherry, and plum. This leads to a full-bodied wine with layers of savory black fruit, plenty of spice and earth notes, enough structure to evolve for 2-3 years, and a lengthy finish.
