

Consilience Grenache Blanc 2006

100% Grenache Blanc

Light and soft, Consilience Grenache Blanc is gentle and forgiving yet graciously lively. Consilience proudly produces this hardly-known varietal. This pear melon delight is slightly doused with minerality and a guaranteed summertime favorite.

History:

Consilience was founded in 1999 when after years of planning the aspirations of two couples became a small reality. There of course is a long story, but the short of it began when winemaker Brett Escalera, his wife Monica, and the two of us, Tom and Jodie Daughters all met back in 1990 with many common values and interests. Wine and the lifestyle surrounding it were of particular interest to us, and after years of planning, education and good old fashioned perseverance Consilience started with a small production of 1997 Syrah from Santa Barbara County.
