

Griffin Family

Griffin Family Vineyard Chardonnay

California - Malibu

Chardonnay

The History

Ours are exclusive boutique wines, grown on the hillsides of Malibu. Picking begins at sunrise in the cool of the morning. Immediately after harvest, we ship chilled grapes to Etienne's facilities in Santa Maria, CA for careful shepherding into a wine that expresses the fabulous potential of our Malibu site.

The Wine

In 2005 we test marketed our wine, selling exclusively at John Selman's "Malibu Village Wines" store in the heart of our town. Our extremely limited production Malbec sold out immediately. Our Chardonnay was swept off the shelves as fast as we could put it out!

Tasting Notes

Our Chardonnay truly shows what Malibu grape growing can achieve. Easily mistaken for a fine White Burgundy, it boasts a layered, full-bodied, concentrated palate. Aromas and flavors of marmalade, tropical fruits, crushed rocks, and sweet currants give way to a smooth, satisfying finish.
