

LaVelle Vineyards

Pinot Gris 2006

Our 2003 Pinot Gris Vintage Select presents a fruit forward nose, with nuances of melons and pears, and is accompanied by a crisp, clean mouthfeel and a floral finish. A traditional and natural accompaniment to Northwest salmon, our 2003 Pinot Gris also pairs well with pork, fruits and light cheeses.

History:

The Winery was established in 1972 by Lee Smith, one of Oregon's pioneer winemakers, and was originally called Forgeron Vineyard. It is the oldest winery in the South Willamette Valley,

The property was purchased by LaVelle Vineyards in April 1994, by Doug LaVelle who was at the end of his 29 years career with GTE Communication.

After an extensive remodeling, the winery tasting room opened on Memorial Day weekend in 1996.
