

**Mission Saint  
Vincent**

**Mission Saint Vincent Bordeaux White**

**France - Bordeaux**

**Cabernet Sauvignon**

**The History**

This twelfth century Mission, which today houses a modern winery, is renowned throughout Bordeaux for its white wine.

**The Vineyard**

Sauvignon Blanc grapes, picked at perfect ripeness and carefully selected for their flowery aroma, are blended with a 30% portion of later picked and heavier Semillon grapes to create this award winning wine

**Tasting Notes**

50% Semillon, 45% Sauvignon, 5% Muscadelle. Extremely Aromatic. The taste is a grapefruit, citrus-flower, and peach fragrance, round middle with great balance, and a crisp, clean finish.

**Food Pairing**

Mission St. Vincent Bordeaux is the perfect choice before dinner, or served with shellfish, fish, poultry or lighter fare. Many of our customers who appreciate the New Zealand Sauvignon Blancs find this quite appealing, and at a better price point!
