

CUVERNE DU XVII^e SIÈCLE

MOREY SAINT DENIS 2004

100% Pinot Noir.

This is a much deeper colour than the Gevrey. It has an enticing spiciness on the nose along with both red and black fruit. The attractive mid-palate shows first hints of the forest floor flavours to follow. Excellent length.

The MARCHAND estate has been in existence over seven generations in Morey-St-Denis. In 1983 it was extended with the purchase of an old wine-grower's house -right in the heart of Gevrey-Chambertin.

The MARCHAND estate includes vineyards located in the villages of Chambolle-Musigny, Morey-Saint-Denis, Gevrey-Chambertin featuring some first growths such as Les Sentiers at Chambolle, le Clos des Ormes at Morey, les Combottes at Gevrey, as well as great growths : Clos de la Roche at Morey, Griottes Chambertin and Charmes Chambertin at Gevrey.
