

Vincent Sauvestre

Domaine Vincent Sauvestre Meursault
Clos des tessons

France - Burgundy

Chardonnay

The History

The Clos des Tessons is situated to the west of the beautiful village of Meursault. The Clos (enclosed vineyard) was bequeathed to Vincent's great, great grandmother and was the start of the Domaine. The Clos is still today fully owned by the family.

The Wine

Made from the original Burgundian CHARDONNAY, the famous grape producing the great fine white Burgundies. Appellation contrôlée. French quality control since 1935. Excellent keeping up to 10 years.

Tasting Notes

Full, round, complex and most elegant wine. Exotic fruit flavours harmoniously mingle together and with age become honeyed with a hint of hazelnuts.

Food Pairing

Lightly chilled with seafood and shellfish served preferably without spiced sauces. Ideal with lobster, crayfish, salmon.... Will accompany foie gras to perfection and any white meat dishes. Also delicious with cheeses which are not too strong.
