**CASAS DE BUCALEMU—SAUVIGNON BLANC**

**SAUVIGNON BLANC**

The History

20 Miles South of Santo Domingo, 5 miles North of the Estuary of the Rapel River and 5 miles from the Pacific Ocean on the Bucalemu plateau facing it, which brings a very temperate climate

The Grape

**100% Sauvignon Blanc**

Tasting Note

Light yellow color with lush golden reflects. The nose is complex with notes of honey, pineapple and pistachio that evolve into notes of jasmine, passion fruit and citrus, especially grapefruit. It is full-bodied in mouth with an impressive fruit-forward mid-palate. Its acidity maintains it in balance and delivers a long finish in which reveals its chunky minerality.
