CLARK CLAUDON

CLARK-CLAUDON ESTATE CABERNET

CALIFORNIA - NAPA VALLEY

CABERNET SAUVIGNON

The History

Their business was founded in the old tradition of family winemaking where the art begins in the vineyard and ends with a beautiful bottle of wine. The name Clark-Claudon and the logo's meeting of the two feathers represent a joint commitment to the pursuit of their dream and to the preservation of the environment that supports it. Since then, Clark-Claudon Vineyards has received critical acclaim for their Estate Grown Cabernet, Eternity Reserve Estate Cabernet and their Wild Iris Sauvignon Blanc.

The Grape

100 % Cabernet Sauvignon

Tasting Note

It's deep dark ruby color and touches of purple on the rim suggest the explosion of dark stone fruits, black cherry and plum coming your way. Wrapped in fragrances of fresh cut oak, these layers are joined by spicy black pepper and hints of chocolate that evolve into floral notes, hints of cooked beef and fresh baked pie. This beautifully balanced & textured cabernet is round and rich in the mouth with great acidity and a framed tannic structure. On the finish you will find plum, cherry and blueberry with a hint of lemon drop and boysenberry.
