KIMMEL VINEYARDS

KIMMEL CABERNER SAUVIGNON FOUR BLOCKS

CALIFORNIA—MENDOCINO

CABERNET SAUVIGNON

HISTORY

Kimmel Ranch, Potter Valley, Mendocino County

Kimmel Vineyards is located in Potter Valley, Mendocino County, California. Established as Kimwood Ranch in 1963, the property is approximately 1100 acres with the vineyards at an elevation of about 1000 feet. The first Chardonnay vines were planted in 1986. The Merlot vineyard was planted in 1997. Recent grafting with Cabernet Sauvignon, Cabernet Franc, Petite Verdot and Malbec will provide for future Bordeaux blends. Plans also call for a Cabernet Sauvignon release in 2013.

Tasting Notes

Rich, supple, full-bodied velvety texture saturates the palate with intense flavors of raspberry brittle, cherry-current, plum and a touch of toasted oak and vanilla with a slight hint of leather on the back end. A wonderful wine with soft tannins, good acidity, smooth, round, and well-balanced, with a lovely silky mouth feel that lingers on the finish.

The fruit was sorted, destemmed without crushing and berry sorted before going to the fermenter. After fermentation, the wine was pressed at dryness before being placed in French oak barrels. Our inaugural Cabernet Sauvignon represents a blend of our finest red varietals to create a full flavored experience that is complex and a lasting impression of our Mendocino climate, soil, and farming practices.
