BODEGAS FRONTAURA

NEXUS COCHESA

SPAIN

Tinta del Pais

The History

The Bodega del Palacio de los Frontura y Victoria is born as a different kind of business project. From the start, and in every detail of its development, its goal has been to employ the culture of quality and to harmonize tradition with the avant-garde.

The Grape

100% Tinta del Pais.

Tasting Note

The palate is an explosion of red fruit and very delicate wood makes it more complex without interfering with the wine. It is pleasant, silky, long and balanced.
