PURLIEU

PURLIEU NAPA CABERNET SAUVIGNON

CALIFORNIA - NAPA VALLEY

CABERNET SAUVIGNON

The History

Purlieu means “the edge of the forest” or “an outlying area.” Directly, it is a reference to our home base in the new Coombsville AVA, at the edge of the forest and the entire Napa Valley. Symbolically, “purlieu” refers to our approach to winemaking, to exploring the outskirts and navigating the boundaries of what one may expect of a Napa Cabernet Sauvignon. For us, the key to successfully walking that edge lies in maintaining balance: between innovation and tradition, confidence and restraint, depth and refreshment.

The Grape

100 % Cabernet Sauvignon

Tasting Note

Fresh, vibrant, succulent, lifted. Juicy red currants, cranberry compote, sun-ripened strawberries and figs. Anise, cinnamon stick, cedar and cured meats.
