CHATEAU LA BOUTIGNANE

CHATEAU LA BOUTIGNANE

FRANCE

## Corbieres

### The History

The Corbières vineyards are situated in Fabrezan in the Aude region, reputed to be the warmest region in France and where the rainfall is low. 60 Hectares of vineyards, situated around the village of Fabrezan which is located within the county of Aude in the Languedoc region. The Chateau was built at the end of the 18th Century and the cellars were added in 1912. Intense and spicy full-bodied wines that speak to us of bold Cathar strongholds, high on the wind-carved Corbières massif, and of vineyards on wild hillsides, bathed in the unblinking Mediterranean sun. The wines are made from Carignan, Syrah and Grenache and Cinsault, endowing the wines with an excellent aromatic balance.

### The Grape

32% Syrah, 32% Carignan, 27% Grenache, 5% Cinsault, 4% Mourvedre

### Tasting Note

Deep red color, with warm and complex aromas of dark fruits. Persistent finish.
