LES CEPS D'OR—VACQUEYRAS

FRANCE

VACQUEYRAS

The History

« Les Ceps d'Or » is made from a majority of Grenache grape variety. It expresses the essence of the 50 year old goblet-trained vines. The grape berries are delicately hand-picked in the northern and western edge of Vacqueyras Appellation. Plots are situated on the plateau of Les Dentelles de Montmirail that are famous for having a great geological wealth. « Les Ceps d'Or » is from Vacqueyras definitely ! : complex and very aromatic, with a persistent finish.

The Grape

Majority of Grenache

Tasting Note

Dark garnet-purple color. It has an intense nose with spice and subtle ripe fruits aromas. It confirms in the mouth its fragrances : spicy and sweet character, caraway and licorice aromas and reminds us some small dark fruits. A beautiful wine very representative of the appellation with an harmonious roundness, pepper notes and well structured. Long and aromatic finish.
