TENDRIL WINE CELLARS

PRETENDER WHITE PINOT NOIR

OREGON - WILLAMETTE VALLEY

PINOT NOIR

The History

Tendril is a small family-owned winery, started in 2008 by veteran winemaker, Tony Rynders. The name, Tendril, was chosen because we believe that truly great wine begins in the vineyard.

The fruit that goes into Tendril wines are sourced from various regions within the Willamette Valley. This allows for the opportunity to create wines that give the consumer an overview of some of the best fruit the Willamette Valley has to offer.

The Grape

100% Pinot Noir made as a white wine

Tasting Note

Aromas of brioche, peaches and cream, wild strawberry, orange sherbet, bread dough and tart cherry.
