TENDRIL WINE CELLARS

TIGHTROPE PINOT NOIR

OREGON - WILLAMETTE VALLEY

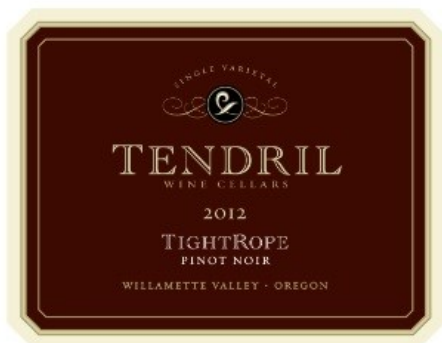

PINOT NOIR

The History

Tendril is a small family-owned winery, started in 2008 by veteran winemaker, Tony Rynders. The name, Tendril, was chosen because we believe that truly great wine begins in the vineyard.

The fruit that goes into Tendril wines are sourced from various regions within the Willamette Valley. This allows for the opportunity to create wines that give the consumer an overview of some of the best fruit the Willamette Valley has to offer.

The Grape

100% Pinot Noir

Tasting Note

The nose is comprised of enticing aromas of fresh marionberry, dried currant, slight fig, fresh leather, clove, vanilla, and light coffee. The palate is full-bodied and complex, displaying lots of black cherry, dark plum, cinnamon, allspice, slight toast, rose petal, dried strawberry and finishes with wonderful structure and length.
