Saint Ynez Valley

Koehler Winery

California

Cabernet Sauvignon

The History

Situated on the celebrated Foxen Canyon Wine Trail in the Santa Ynez Valley, Koehler Winery is located in one of California's most diverse and distinctive growing regions. The micro-climatic diversity on the 100 acre estate results in a superb quality of fruit, and Koehler's 40 year old vines are recognized as among the best in the Santa Ynez Valley and surrounding area.

Winemaker Colin Murphy and Vineyard Manager Felipe Hernandez, one of the most skilled and knowledgeable vineyard managers in Central California, collaborate regularly to ensure the quality of the fruit improves from year to year. The vines are diligently tended, from pruning through harvest, to ensure they thrive in harmony with the natural conditions of the vineyard.

The Grape

100% Cabernet Sauvignon

Tasting Note

Dominated by aromatics of spicy cassis, exotic cigar box, and earthy forest floor, the 2014 Cabernet Sauvignon hints at even greater complexity on the palate. Dark fruit takes center stage on the fore- and mid-palate with a supporting cast of dried cranberries, and mild cinnamon. The transition to the finish is characterized by resolved silky tannins, lush black cherry, and smooth cocoa. Drink between now and 2027.
