

**CUVELIER LOS ANDES**

**CUVELIER LOS ANDES GRAND  
MALBEC**

**ARGENTINA—MENDOZA**

**MALBEC**

**The History**

The Cuvelier Los Andes S.A. vineyard was planted in 1999 with a density of 5500 plants per hectare. Today the vineyard stretches over 55 hectares (136 acres) with 10 hectares still to plant. The main grape variety is Malbec. We have also planted Cabernet Sauvignon, Merlot, Syrah and Petit Verdot. This enables us to create our own blended wines and also contribute to those of Clos de los Siete. Basking in the warm, dry climate of Mendoza, cooled by the refreshing night air of the Andes, our vines are ideally situated to express the character of their various grape varieties in this stony, alluvial gravel soil.

**The Grape**

**100% Malbec**

**Tasting Note**

Full ruby. Crushed dark berries, bitter chocolate and licorice on the nose. Thick and powerful but silky for all its density. Intriguing salty and earthy nuances contribute to the chewy impression of extract. Very ripe, serious, concentrated wine with just enough acidity to maintain its shape. Finishes with substantial dusty tannins.
