Soils “argilo-calcaires” Clay-like, limestone « terres blanches »white soil « stony ». The underground is exclusively limestone typical of the appellation.

### **The Grape**

100 % Pinot Noir

### **Tasting Note**

Sweet and fresh, it is appreciated for its exotic fruitiness and suppleness. This wine displays a pink robe . The fruity (strawberry, raspberry ) intensifies ventilation. Soft and round , the palate shows good volume and evolving into more final vivacity. Well-balanced wine.
