GIGONDAS CUVÉE TRADITION

Rhone Valley

The History

In the heart of Gigondas vineyards (Rhône Valley), one of the most prestigious southern Côtes du Rhone growths, lies the Domaine de Font-Sane since 1860. The know-how handed down from generation to generation draws the very best from the terroirs, and the marriage of tradition and state-of-the-art techniques. Véronique Cuntz-Peysson and her husband, Bernard, have been perpetuating this wine-making know-how, and thus contributing to the defense and reputation of these great wines. Their son, Romain, who recently arrived on the estate after a Master's in International Wine Business, handles the commercial sector in France and abroad.

The Grape

72% Grenache, 23% Syrah, 3% Mourvedre, 2%

Tasting Notes

Beautiful garnet color, clear and bright; the nose has notes of clove, licorice, ripe berries and plum; the mouth is concentrated, with a charming sweetness and fine tannins. The Tradition is a fine wine with a long length and dedicated to a long life.
