Bourgogne Pinot Noir

The History

Crushing and pressing the grapes to extract the must, then fermented at controlled temperature. Aged on the lees in stainless steel oak. Bottled at 6-8 months before release.

The Grape

100% Pinot Noir

Tasting Note

This Bourgogne Pinot Noir offers a ruby and brilliant colour. The nose develops notes of blackcurrant and wild strawberry and a touch of fern and forest floor. The mouth is frank and light, well balanced with melted tannins. The fruity and vegetal notes of the nose give a beautiful freshness and a pleasant length to the palate.
