2018 Black Bart's Syrah

Napa

Krupp Brothers

The History

In 1999, Jan and Bart founded Krupp Brothers, producing their first vintage: An extraordinary Cabernet Sauvignon. Our wines begin at the source – fruit from select blocks that have been carefully chosen by Jan. Today, each wine in our collection – from our mountain Chardonnay and Cabernet Sauvignons to our Rhone-style Syrah and Tempranillo-based red – embody the vision and passion that guided the two brothers. We invite you to try them.

The Grape

100% Syrah

Tasting Note

Deep garnet-purple colored, the 2018 Black Bart Syrah opens with stunning dark plum, blackberry and rose scents followed by undercurrents of forest floor and notes of cardamom, cinnamon and clove. Elegantly structured, with a full-bodied lush palate, this wine reveals itself with dark plum, succulent blackberry and cocoa flavors, culminating in a long velvety finish tinged with black pepper. Pair with roast duck with blackberry compote or wild boar ragu pappardelle. (If boar isn't available, braised beef and pork ragu will do nicely.)
