

Chateau Le Crock

Chateau Le Crock

France

St Estphe

The History

The grapes are hand picked into small baskets to ensure the quality of the harvest. They are then sorted out before going into the winery. Vinification is done in thermo-regulated stainless steel vats.

The Grape

44% Cabernet Sauvignon, 36% Merlot, 13% Cabernet Franc, 7% Petit Verdot

Tasting Note

Rich and powerful, with a real complexity created by the terroir. The bouquet is rich, fruity and dense. The wine is round and fleshy on the palate, the finish is long with powerful, ripe and well blended tannins. The chateau produces refined and complex wines, that have good ageing capacity or can be enjoyed young
