LYNMAR ESTATE

RUSSIAN RIVER CHARDONNAY

RUSSIAN RIVER VALLEY

CHARDONNAY

The History

A place of abundant natural beauty, Lynmar Estate borders the western edge of the Laguna de Santa Rosa, the largest tributary of the Russian River, and Sonoma County's richest wildlife preserve. Situated just 12 miles from the Pacific Ocean, Lynmar Estate benefits from the influences of a maritime climate. The ebb and flow of warm days and cool evenings create an ideal climate for cultivating Chardonnay and Pinot Noir.
