Today, Géraldine Point has picked up the torch from her great-great-grandmother and will guide you to discover all the diversity of Burgundy with over 30 AOP wines mainly from the most famous Villages.

**The Grape**

100% PINOT NOIR

**Tasting Notes**

It offers a very intense deep garnet robe. Strawberry, blackberry, violet and rose share the bouquet of the wine with licorice and leather. The palate is a true witness of great Burgundian wines. Full and powerful, rich, full-bodied, it asserts itself with a firm structure, and tannins that lean toward a highly complex wine.
