Domaine J, Scharsch

The History

Domaine Joseph Scharsch owns 12 hectares / 35 plots of vineyard in Wolxheim, in the heart of "Vineyards of the Golden Crown", 20 km southwest of Strasbourg, now run by the 8th generation. The Domaine's pure and balanced style comes from the strong terroir mentality of the Scharsch family combined with organic farming, allowing each vintage and parcel to develop its own identity.

The Grape

50% Riesling, 50% Pinot Gris

Tasting Note

There are floral and lemony aromas, along with frank, nutty notes. This wine is very present and persistent in the mouth. A fine, gastronomical wine that pairs well with fish, white meats and many cheeses.
