LE PETIT BOUCHON ROUGE

BORDEAUX

BORDEAUX ROUGE

The History

The Château Ferreyres vineyard is situated on a unique terroir on splendid sunny hillsides.

The proliferation of Silex in the sandy-clay soils bestows powerful red berry notes on the wine, as well as a unique balance, which allows these wines to be appreciated from their early years onwards, but also to be conserved and savoured at a later date.

Tasting Notes

Petite Bouchon is 100% Merlot, which accounts for its lushness without a lot of tannins. All the vineyards are organic and feature biodiversity to protect the grapes, the workers and the environment. It's Bouchon's attention to detail which accounts for his superb wines.
