To Kalon**

Napa Valley

Cabernet Sauvignon

The History

Purlieu means “the edge of the forest” or “an outlying area.” Directly, it is a reference to our home base in the new Coombsville AVA, at the edge of the forest and the entire Napa Valley. Symbolically, “purlieu” refers to our approach to winemaking, to exploring the outskirts and navigating the boundaries of what one may expect of a Napa Cabernet Sauvignon. For us, the key to successfully walking that edge lies in maintaining balance: between innovation and tradition, confidence and restraint, depth and refreshment.

The Grape

100% Cabernet Sauvignon

Tasting Note

99 Points - Robert Parker The 2015 Purlieu, Beckstoffer's To Kalon Vineyard, Cabernet Sauvignon is a quintessential Napa Valley wine. "Here's something about these vineyards that just screams first-growth quality." - Robert Parker This vintage carries aromas of cassis, spices, rich minerality and forest floor. It is full-bodied and plush with layers of black fruit. Age 15-20 years.
