Cantina Valdadige

The History

Cantina Valdadige is a cooperative – set up in 1957, right in the heart of the part of the Valdadige in the province of Verona – with more than 200 partners. All of them are passionate vine-growers who have been able to create – with dedication and know-how – a paradise of vineyards at the foot of the valley hill.

The Grape

100% Pinot Grigio

Tasting Note

Elegant wine with a yellow straw color. Dry, slightly acidulous, fresh and persistent. This wine is delicious on its own or will match perfectly vegetables starter and delicate soups.
