The History

Etienne Terlinden – Winemaker & Owner

Etienne's passion for wine was rooted in his grandfather's wine cellar at the family's chateau near Brussels in Belgium while his winemaking talents came to life in Santa Barbara County where he became interested in the area's unique microclimates and ability to produce wines with distinct character. Etienne handcrafts small batches of exceptional wines, each varietal expressing a very certain old world sensibility. Etienne is also Executive Winemaker for Summerland Winery and consulting winemaker to a dozen or so others in the

Tasting Note

It's the joy I get from crafting blends that inspired this Rhône blend of Grenache, Syrah and Mourvedre, tagged "246" in honor of Highway 246 that runs the course of our Santa Ynez Valley. Using three different grape varieties to create a well-balanced wine with an aromatic bouquet and clean fruit characteristics is true art for the palate. These grape varieties likely originated in the Rhône region of France before arriving in California in the 1980s where they flourished in the diverse microclimates of the Santa Ynez Valley corridor. My "GSM" was aged in a mix of French and American oak using
