VIGNERONS ESTEZARGUES

Rhone Valley

2024 Montagnette

The Appellation

Les Vignerons d'Estezargues is a small Cooperative located 10 miles west of Avignon. They are unique because each vineyard is farmed sustainably and the wines are bottled separately for each estate. The co-op's commitment to environmentally-respectful viticulture and to non-interventionist winemaking made it possible to follow the "Terra Vitis" charter. Domaine La Montagnette is owned by Jean-Marie Granier, and is converted to organic since 2019.

The Grape

80% Syrah – 22% Grenache

Wine Making

Selection of the best plots of the Domaine. Hand harvesting. Fermentation for around 15 days and ageing in temperature-controlled stainless steel vats.

Tasting Note

Delicate, fine, fragrant nose, with floral notes, violet, and ripe black fruits. On aeration appear aromas of spices, notes of cinnamon. The palate is rich and silky, full of fruit, but with a super fresh acidity. Ripe but firm tannins are scattered on the finish. A very complete wine which is an authentic expression of its terroir.
