Italy

CASTORANI

Abruzzo

Cadetto Pinot Grigio

The History

With over 200 years of history Podere Castorani is among the masters of Abruzzo. In 1999 the estate's history and luster of yore were brought back to life thanks to the tenacious will of a group of friends, now business partners in the company. The absolute obstinacy, typical of the people from the Abruzzo region, the respect for the traditions and mostly the uncompromising pursuit of the best products, give Villa Castorani's wines the best character obtainable. Spread across 75 acres of lush countryside the winery is certified organic as are the grapes

THE GRAPE

100% Pinot Grigio

TASTING NOTE

Aromatic with notes of ripe pear, yellow apple, white peach and preserved lemon, alongside delicate hints of wild flowers and Mediterranean herbs. The warm Abruzzo vintage lends generosity and concentration, resulting in a broader, fuller palate than classic northern Italian Pinot Grigio. Soft acidity is balanced by a subtle mineral edge, carrying the ripe fruit through to a long, savory finish
