EIFRIG CELLARS

Sonoma

Cabernet Sauvignon Dry Creek Valley

The History

Eifrig Cellars is owned by David "Doc" Eifrig. He and his team craft expressive Dry Creek wines with the balance, warmth, and character that make California wine country so inviting. With Orange County Fair medal recognition for its Chardonnay, Cabernet Sauvignon, and Merlot—including Double Gold honors for its Cabernet Sauvignon—these bottles give customers a compelling reason to discover a small-production label with proven appeal

THE GRAPE

100% Cabernet Sauvignon

TASTING NOTE

I get sweet oak, sawdust, and cedar box. There are hints of cherry cola, blueberry, and aromatic French herbs. Perhaps even a wisp of milk chocolate and red fruit. The flavors show both red and blue fruits, balanced against ethereal cherry cola and sweet oak. The texture is broad but not dense, and coherent from start to finish. The mouthfeel is elegantly balanced.
